Information About Your Account

How We Calculate Interest. We calculate it separately for each balance shown in the Interest Charge Calculation table. We use the **daily balance method (including current transactions)** if the Balance Subject to Interest Rate is followed by (D). We figure the interest charge by multiplying the daily balance by its daily periodic rate each day in the billing period. To get a daily balance, we take the balance at the end of the previous day, add the interest on the previous day's balance and new charges, subtract new credits or payments, and make adjustments. The Balance Subject to Interest Rate is the average of the daily balances. We use the **average daily balance method (including current transactions)** if the Balance Subject to Interest Rate is followed by (A). To get an average daily balance, we take the balance at the end of the previous day, add new charges, subtract new credits or payments, and make adjustments. We add all the daily balances and divide by the number of days in the billing period. We figure the interest charge by multiplying the average daily balance by the monthly periodic rate, or by the daily periodic rate and by the number of days in the billing period, as applicable.

How to Avoid Paying Interest on Purchases. Your due date is at least 23 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your monthly Citi Flex Plan Payment Amount plus your entire balance, excluding any Citi Flex Plan balances, by the due date each month. If you do not pay your monthly Citi Flex Plan Payment plus your entire balance, excluding any Citi Flex Plan balances, by the due date each month, you will pay interest on your purchases from the date they're posted to your account. We will begin charging interest on cash advances, balance transfers, and Citi Flex Loans on the transaction date. We will begin charging interest on a Citi Flex Pay balance subject to an APR at the start of the billing cycle following the billing cycle during which you created the Citi Flex Pay.

Your Rights

What To Do If You Think You Find A Mistake On Your Statement. If you think there is an error on your statement, write to us at the address for Billing Inquiries and Customer Service shown on Page 1 of your statement. In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases. If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at the address for Billing Inquiries and Customer Service shown on Page 1 of your statement.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Payments received in proper form after that time will be credited as of the next day. Allow 5 to 7 days for payments by regular mail to reach us. There may be a delay of up to 5 days in crediting a payment we receive that is not in proper form or not sent to the correct address. The correct address for regular mail is the address on the front of the payment coupon. The correct address for courier or express mail is shown in the Express Mail section.

If you send an eligible check, you authorize us to complete your payment by electronic debit. If we do, the checking account will be debited in the amount on the check. We may do this as soon as the day we receive the check. Also, the check will be destroyed.

Payments Other Than By Mail

Online. See Page 1 of your statement on how to make a payment online.

Text to Pay (If Available). To pay via text you must use the cell phone or mobile device number and payment accounts associated with your account. Text to Pay is not available for debit card payments. Message and data rates may apply.

Phone. For phone payments, you authorize Citi to electronically debit your specified bank account by an ACH transaction in the amount and on such date that you indicate on the phone. For AutoPay, you also authorize Citi to automatically debit your specified bank account every month, in the amount and on the same date each month that you indicate on the phone, until you withdraw your authorization. You may cancel a one-time phone payment or withdraw your authorization for automatic debits by calling the Billing Inquiries and Customer Service number shown on Page 1 within the timeframe disclosed to you on the phone.

AutoPay. Visit citicards.com to enroll in AutoPay and have your payment amount automatically deducted each month from the payment account you choose. AutoPay payment requests are sent the business day before the AutoPay date. The paying bank may place a hold on your deposit account when they receive the request. We do not ask that a hold be placed and do not receive funds before the AutoPay date. Please discuss any concerns you may have with such a hold with the paying bank.

Crediting Payments other than by Mail. The payment cutoff time for Online, Phone, and Text to Pay payments is midnight Eastern time. The cutoff time for payments made via Citi ATM, where available, is 10:30 pm Eastern time. For payments at a Citi branch, where available, the cutoff time is the close of business at the branch where the payment is made. Payments received prior to the cutoff time will be credited to your account as of the calendar day we received your payment request.
